Code of Ethics

As City of Irwindale Senior Citizen Commissioners, our fundamental duty is to serve the public good. We are committed to the principle of an efficient and professional local government. We will be exemplary in obeying the letter and spirit of Local, State and Federal laws and City policies affecting the operation of the government and in our private life. We will be independent and impartial in our judgment and actions.

We will work for the common good of the City of Irwindale community and not for any private or personal interest. We will endeavor to treat all people with respect and civility. We will commit to observe the highest standards of morality and integrity, and to faithfully discharge the duties of our office regardless of personal consideration. We shall refrain from abusive conduct, personal charges or verbal attacks upon the character or motives of others.

We will inform ourselves on public issues, listen attentively to public discussions before the body, and focus on the business at hand. We will base our decisions on the merit and substance of that business. We will be fair and equitable in all actions, claims or transactions. We shall not use our official position to influence government decisions in which we have a financial interest or where we have a personal relationship that could present a conflict of interest, or create a perception of a conflict of interest.

We shall not take advantage of services or opportunities for personal gain by virtue of our public office that are not available to the public in general. We shall refrain from accepting gifts, favors or promises of future benefit that might compromise our independence of judgment or action or give the appearance of being compromised.

We will behave in a manner that does not bring discredit or embarrassment to the City of Irwindale. We will be honest in thought and deed in both our personal and official lives.

Ultimate responsibility for complying with this Code of Ethics rests with the individual elected official. In addition to any other penalty as provided by law, violation of this Code of Ethics may be used as a basis for disciplinary action or censure of a Commissioner.

These things we hereby pledge to do in the interest and purposes for which our government has been established.
