

# #PinkPatchProject

**Support Breast Cancer Awareness!**

**Help the Rio Rancho Police Department  
Raise Funds for the  
UNM Comprehensive Cancer Center  
with the Pink Patch Project.**

Businesses and individuals may sponsor the program by buying a set of patches. Each set is \$220 which provides 100 patches to the department. The patches will then be sold to the public for a \$10 donation each. 100% of proceeds will go to the UNM Comprehensive Cancer Center for research and treatment. Officers will also wear some of these patches through the month of October. This will be a limited run of 500 patches. The deadline to donate is August 31<sup>st</sup>.
